Wednesday Morning

Dear Louise, -

"Whoops" but we came home
a flying. The telephone poles looked
like a picket fence and we were
in the house just 40 minutes from
the time we left Scranton. I'll
tell you a fool can go.

How is school since you went
back? Suppose the Schroeders were
down. Pop is fine. only he has
a sore finger. he tried to pull
a wire out of the ice and it
was frozen in the ice and tore his
finger. Mike Sloby was here to
see us yesterday has no work
worked three days in the mines
and quit as he found it no
place for him.

Grace Hall just phoned that
she could give Helen her first
lesson after school tonight but
she will have Thursday noon after
